- demonstrate awareness of a wide range of research methods and the ethical and social responsibilities of a practising scientist
- apply the skills gained in the program to their specialist area with a high degree of proficiency
- undertake research-oriented careers or progress to higher level studies in their chosen specialist area
- meet the academic requirements for membership of professional societies or registration boards as practising discipline specialists
- proceed to PhD study subject to competitive evaluation of qualifications.

Admission requirements

General Requirements

To qualify for entry to the Bachelor of Science (Honours) program students will:

- have been awarded a degree in the area of Honours study, normally, with a substantial amount of undergraduate study in the major area of the discipline in which the Honours study is to be undertaken
- be current in their major area of study. To ensure currency of knowledge, students will normally have commenced their undergraduate degree no earlier than eight years previous to the year of application and will have satisfied requirements for the award of that degree no more than three years previously
- have met minimum academic requirements in the relevant undergraduate program. These requirements normally include one or more of the following:
 - achieved a Grade Point Average equivalent to the level of Credit or better for the whole program
 - achieved a Grade Point Average equivalent to the level of Credit or better in the second and third years of the undergraduate degree
 - achieved a Grade Point Average equivalent to the level of Credit or better in the major study in the undergraduate degree.

Additional Requirements

In addition to the above general requirements, candidates for the Psychology Major must hav

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residence

Credit

No exemptions will be given from any courses in the program. Candidates must complete all courses at USQ except in the case of the Applied Mathematics/Statistics major, for which students may complete up to two courses cross-institutionally.

Enrolment

Mid-year intake

There is usually no mid-year intake into the Bachelor of Science (Honours) program in psychology.

Recommended enrolment pattern - Applied mathematics/statistics major

Students are able to enrol in any offered mode of a course (on-campus, distance education or online), regardless of the program mode of study they enrolled in.

This major is only available in on-campus mode.
