### Professional accreditation

Graduates of this program will meet the educational entrance requirements of [CPA Australia](#) and [Chartered Accountants Australia and New Zealand \(CAANZ\)](#). This provides Associate membership of CPA Australia, eligibility to study the CPA Australia professional exams and eligibility to study the CAANZ professional exams.

Successful completion of the Accounting major can qualify students for exemptions from the Fundamental level (9 papers) of the [Association of Chartered Certified Accountants \(ACCA\)](#) exams.

### Program aims

This program aims to provide students with specific knowledge and skills relevant to the accounting discipline and satisfy the educational entrance requirements for membership of relevant Australian accounting professional bodies. The program also aims to equip students with the knowledge and skills to meet the needs of organisations to strategically manage energy requirements and report their environmental and social impacts on the community. In addition, the program aims to provide students with the necessary broad-based administrative and management skills required by organisations to compete in the global economic environment.

## **Program objectives**

At the completion of the program, students should exhibit the following graduate qualities:

- discipline expertise - demonstrate strong communication skills to transfer their knowledge from program studies to the workplace; acquire specific knowledge and skills relevant to the accounting discipline
- professional practice - identify, analyse, solv

### **International full fee paying place**

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

### **Program structure**

The Bachelor of Accounting and Sustainable Business is comprised of 24 single-unit courses as follows:

Courses	Units
Core business courses	8 units
Accounting major courses	8 units
Sustainable Business major courses	8 units
Total	24 units

### **Program completion requirements**

To be eligible to graduate with the award Bachelor of Accounting and Sustainable Business, students must have successfully completed the core business courses, Accounting major courses and Sustainable Business major courses (24 courses in total).

### **Required time limits**

Students have a maximum of 9 years to complete this program.

### **Core courses**

All students are required to complete all the following core courses. The purpose of these courses is to expose business students to fundamental concepts and methods and the diversity of subject matter that they will encounter in their studies. The functional areas of business are identified and elementary tools leading to a focus in the major areas of Accounting and Sustainable Business.

MKT1001 Introduction to Marketing	1, 2, 3	2	1, 2	2
PWE3000 Professional Work Experience~	2, 3			

**Footnotes**

[PWE3000 Professional Work Experience](#) is not available to international students regardless of location or mode of study as it is an elective course. Australian regulations do not allow an electiv

ACC3042 Energy Management Accounting	2		2	
ECO3030 Sustainable Economies	2			
LAW2107 Environmental Law	2		2

### IT requirements

For information technology requirements please refer to the [minimum computing standards](#).

### Other program requirements

Students must maintain good standing in this program. Please refer to the [Academic Standing, Progression and Exclusion Procedure](#).

### Exit points

Students must maintain good standing in this program (see Other program requirements section). Students not wishing to complete the Bachelor of Accounting and Sustainable Business may be permitted to exit with either:

-

are advised to seek current information from these bodies before applying for credit. Claims for credit for previous study should be submitted prior to or at the time of enrolment. Each claim will be assessed on individual merit in line with USQ policy.

Note: Where credit is granted, maximum and minimum duration will be adjusted in the same proportion as the credit, for example, where eight units of credit is granted, maximum time will be six years and minimum time will be four semesters.

**Recommended enrolment pattern - Springfield campus and distance/online semester 1 commencement**

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.
