and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 09. Graduates at this level will have specialised knowledge and skills for research, and/or professional practice and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting www.aqf.edu.au.

Admission requirements

Entry into the Master of Business and Innovation requires a tertiary qualification at bachelor degree or equivalent (AQF level 7) in a business-related discipline from a recognised institution.

For candidates who have a bachelor degree or equivalent (AQF level 7) in a non-related discipline from a recognised institution, USQ's [Graduate Certificate of Business](#) provides an articulation pathway into the Master of Business and Innovation. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible for entry into the Master of Business and Innovation.

Candidates with a graduate certificate (AQF level 8) or higher qualification in any discipline may apply for entry into the Master of Business and Innovation. Eligibility for entry will be determined on a case-by-case basis.

Domestic and International Applicants from a non-English speaking background are required to satisfy [English language requirements](#).

If you do not meet the English language requirements you may apply to study a University-approved [English language program](#). On successful completion of the English language program, Applicants may be admitted to an Award Program.
