The Master of Project Management aims to produce graduates who are able to:

- demonstrate knowledge of the theoretical structure of project management as defined by the Project Management Body of Knowledge
- demonstrate essential skills in relation to identification and analysis of sustainability management for projects, and integrate sustainability management across the lifecycle of the project
- apply the theoretical principles of project management to a project environment in relation to a range of project types:
 - scope and requirements management
 - scheduling and time management
 - cost management
 - quality management
 - human resources management
 - communications management
 - risk management
 - procurement management
 - integration management
 - stakeholder management
- demonstrate a comprehension of complex ethical dilemmas for various stakeholders within a project management environment.

Australian Qualifications Framework

The Australian Qualifications Framework

Candidates with a graduate certificate (AQF level 8) or higher qualification in any discipline, with two years' full-time relevant professional work experience in business may apply for entry into the Master of Information Systems and Master of Project Management. Eligibility for entry will be determined on a case-by-case basis.

All students are required to satisfy the applicable [English language requirements](#).

If you do not meet the English language requirements you may apply to study a University-approved [English language program](#). On successful completion of the English language program, you may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. You are able to calculate the fees for a particular course via the [Course Fee Finder](#).

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Australian citizens, Permanent Humanit3

- A student who successfully completes eight units may, upon application, exit with a [Graduate Diploma of Business](#).
