

Master of Business and Innovation (MBSI) - MBusInv

CRICOS code (International applicants): 086146D

and secondary schools. Each AQF qualification has a set of descriptors which define the type and complexity of knowledge, skills and application of knowledge and skills that a graduate who has been awarded that qualification has attained, and the typical volume of learning associated with that qualification type.

This program is at AQF Qualification Level 09. Graduates at this level will have specialised knowledge and skills for research, and/or professional practice and/or further learning.

The full set of levels criteria and qualification type descriptors can be found by visiting www.aqf.edu.au.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

- Completion of an Australian university Bachelor degree in the area of business, or equivalent.
- English Language Proficiency requirements for Category 3.

For candidates who have a Bachelor degree or equivalent (AQF level 7) in a non-related discipline from a recognised institution, USQ's [Graduate Certificate of Business](#) provides an articulation pathway into the Master of Business and Innovation. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible for entry into the Master of Business and Innovation.

Candidates with a Graduate Certificate (AQF level 8) or higher qualification in any discipline may apply for entry into the Master of Business and Innovation. Eligibility for entry will be determined on a case-by-case basis.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place

Coursework Specialisations

Select two coursework specialisations from the following:

- Big Data and Visualisation
- Crisis Management
- Digital Transformation
- Enterprise Leadership
- Finance
- General

Big Data and Visualisation specialisation

Course	Semester of offer	Se
	Distance/Online	
CSC8001 Introduction to Data Science and Visualisation	2	
CIS8701 Big Data Visualisation	1	
CIS8702 Crypto-currencies	1	
	2	

MGT8032 International Management	1		
INR8010 International Relations: Guided Topics (Masters)	1	1	
MKT8002 International Marketing	1		

Professional Communication specialisation

Advanced Research specialisation

To be eligible to enrol in the Advanced Research specialisation, students must successfully complete the first 4 units of the Master of Business and Innovation with a minimum GPA of 5.0 (B average). Students who do not meet this requirement cannot enrol in [RSH8000 Introduction to Research](#) and [RSH8001 Research Methods](#). Where possible students should complete [RSH8000](#) before enrolling in [RSH8001](#).

Students undertaking the Advanced Research specialisation must achieve a GPA of 5.75 for the 4 units of study to be eligible to apply for entry to the [Doctor of Philosophy](#).

- the maximum credit granted is no greater than six courses for the Master of Business and Innovation
- credit approved in this program will not automatically apply to other programs offered by USQ.

Claims for credit should be submitted prior to or at the time of enrolment in a course. Each claim will be assessed on individual merit in line with USQ policy. Credit approved in this program will not automatically apply to other programs offered by USQ. Please contact the Faculty of Business, Education, Law and Arts for further information.

Recommended enrolment pattern

Students are able to enrol in any offered mode of a course (on-campus, external or online), regardless of the program mode of study they enrolled in.
