Students in the Flight Operations major can enrol in two elective courses. Students will be required to obtain approval from the Bachelor of Aviation Program Coordinator before enrolling in elective courses.

IT requirements

For information technology requirements please refer to the [minimum computing standards](#).

Other program requirements

Students must maintain good standing in this program. Please refer to the [Academic Standing, Progression and Exclusion Procedure](#).

While this is not an admission requirement to the program, students planning to undertake the Flight Operations major will have to hold a Class 1 Medical Certificate issued by the [Civil Aviation Safety Authority](#), as this is one of the regulatory requirements to hold a Commercial Pilot Licence. In addition, students in the Flight Operations major are expected to complete recognised pilot aptitude assessment and interview prior to being allowed to undertake the Flight Operations major. Appropriate advice will be provided to students during their first academic year.

Exit points

Students not wishing to complete the Bachelor of Aviation may be permitted to exit with the Associate Degree of Aviation (ADAV).

Students may exit with the Associate Degree of Aviation (ADAV) if they have completed 16 first and second year courses as follows:

- 8 core courses
- 8 courses from the Aviation Management major or the Flight Operations major.
