

- the capacity for people to make an informed choice when contemplating a career requiring study in a tertiary education program
- the individual and social competencies required within an academic environment for students seeking to undertake formal study in a higher education program.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

There is no specified minimum educational achievement entrance standard.

Normally, to be eligible for enrolment in the program a person will have attained an age of at least 18 years in the year of the proposed enrolment.

All applicants are strongly encouraged to complete Tertiary Preparation Program placement tests in mathematics and English communication skills. Applicants will then be directed into the most appropriate courses in the TPP. Students who do not undertake these tests will be enrolled in [TPP7111 Communicating at University A](#) and/or [TPP7180 Preparatory Mathematics](#) during their first semester of study. For students who did not complete schooling in Australia these tests are mandatory.

This program normally requires a minimum of IELTS 5.5. English language proficiency or equivalent through study or employment. In exceptional circumstances, based on results of the TPP English communication skills placement test, alternative entry approval may be given.
