## Program objectives

To provide international students and Non-English Speaking Background (NESB) Australian citizens and residents whose first language is not English with:

- functional English to enable students to live in an English speaking society and take advantage of the services offered;
- conversational English language skills to enable students to communicate with native and non-native speakers of English in the community;
- a foundation in more academic English language skills (at the EAP Level) to assist students wishing to pursue tertiary studies in Australia to be able to proceed to a univ

Students studying on a Student Visa must meet visa requirements in terms of attendance and academic progress. The attendance requirement is based on 25 hours of scheduled classes per week.
