

Australian citizens, Permanent Humanitarian Visa holders, Permanent Resident visa holders and New Zealand citizens who will be resident outside Australia for the duration of their program pay full tuition fees and are not eligible for [FEE-Help](#).

### **International full fee paying place**

International students pay full fees. Full fees vary depending on the courses that are taken and whether they are studied on-campus, via distance education/online. Students are able to calculate the fees for a particular course via the [Course Fee Finder](#).

### **Program structure**

The Master of Project Management consists of 12 courses, each of one unit, and has the following structure:

- core (8 units) – 4 foundation core courses of one unit, three advanced core courses of one unit each, and one advanced capstone course of one unit, plus
- a named (coursework or research) specialisation of four courses or a general specialisation of four courses.

When choosing a study plan, it is recommended that students complete the foundation core courses wherever possible prior to enrolling in the advanced core courses.

The specialisation of four courses may take the form of one of the following:

- a named course

\* Subject to the approval of the Program Coordinator.

^ This specialisation will not have the name shown on a testamur.

**Notes:** Students must successfully complete 8 units of the program before enrolling in [BUS8101 Business Project A](#) (1 unit) and [BUS8102 Business Project B](#) (1 unit) and satisfy any pre-requisites for these courses. Normally these courses should be undertaken in the

## IT requirements

For information technology requirements please refer to the [minimum computing standards](#).

## Other program requirements

Students must maintain good standing in this program. Please refer to the [Academic Standing, Progression and Exclusion Procedure](#).

## Articulation

The Master of Project Management articulates from the [Graduate Certificate of Business](#) and the [Graduate Diploma of Business](#).

On completion of the Master of Project Management with any specialisation with a minimum GPA of 4 for the program, students may apply for entry into the [Doctor of Business Administration](#). The number of courses to be completed to satisfy the requirements to graduate from the [Doctor of Business Administration](#) will depend on the courses completed in the Master of Project Management.

Students completing the Master of Project Management with the Research specialisation with a minimum GPA of 5.75 for these 4 units of research study may apply for entry into the [Doctor of Philosophy](#), subject to meeting eligibility requirements of the program. The number of courses to be completed to satisfy the requirements to graduate from the doctoral program will depend on the courses completed in the Master of Project Management.

Students wishing to consider the option to apply for entry into either of the doctoral programs should contact the Faculty of Business, Education, Law and Arts prior to commencing their specialisation.

Students who wish to articulate to the higher award must lodge an application for entry to the relevant program.

## Exit points

Students who choose not to complete or who do not maintain good standing in this program will be permitted to exit with a lesser qualification as set out below, provided that they have met the requirements of that program.

- A student who successfully completes four courses in the Master of Project Management may, upon application, exit with the [Graduate Certificate of Business](#). A student who has successfully completed all the requirements of a 4-unit specialisation may have that specialisation shown on their testamur.
- A student who successfully completes eight courses in the Master of Project Management may, upon application, exit with a [Graduate Diploma of Business](#). A student who has successfully completed all the requirements of at least one specialisation may have one specialisation shown on their testamur.
