Program aims

The aim of the Master of Education is to provide professionals in education, training and development with Master level coursework that will engage with educational issues that are relevant and meaningful to them and help to sustain their communities and fulfil their lives. The program aims to:

- facilitate the development and consolidation of knowledge and skills in teaching and learning in community, professional and workplace learning settings that are informed by contemporary learning theory and futures-oriented approaches
- support the application of these knowledge and skills through learner-centred design, flexible delivery and individualised and authentic assessment to enhance quality of services for their learners.

Program objectives

Students who successfully complete the Master of Education will have acquired advanced knowledge and understanding of key issues and trends within contemporary education and/or of a specialised area of education. Graduates will be able to demonstrate:

- advanced theoretical and technical knowledge in one or more disciplines or areas of practice
- the ability to analyse critically, evaluate and transform information to complete a range of activities
- the ability to analyse, generate and transmit solutions to complex problems
- the ability to transmit knowledge, skills and ideas to others
- the ability to apply knowledge and skills to demonstrate autonomy, well-developed judgement, adaptability and responsibility as a practitioner or learner
- the ability to plan and execute a substantial research-based project, capstone experience and/or professionally focused project.

Admission requirements

To be eligible for admission, applicants must satisfy the following requirements:

A tertiary qualification at Bachelor degree or equivalent (AQF level 7) in a related discipline from a recognised institution.

For candidates who have a Bachelor degree or equivalent (AQF level 7) in a non-related discipline from a recognised institution, UniSQ's [Graduate Certificate of Education](#) provides a pathway into the Master of Education.

All students are required to satisfy the applicable [English language requirements](#).

If students do not meet the English language requirements they may apply to study a University-approved [English language program](#). On successful completion of the English language program, students may be admitted to an award program.

Program fees

Domestic full fee paying place

Domestic full fee paying places are funded entirely through the full fees paid by the student. Full fees vary depending on the courses that are taken. Students are able to calculate the fees for a particular course via the [Course Fee Schedule](#)

Domestic full fee paying students may be eligible to defer their fees through a Government loan called [FEE-HELP](#) provided they meet the residency and citizenship requirements.

Articulation

The Master of Education articulates from the [Graduate Certificate of Education](#).

On completion of the Master of Education, students may be eligible for entry into the [Doctor of Education](#) or the [Doctor of Philosophy](#), provided they meet the necessary entry requirements.

Exit points

Students who successfully complete a minimum of four units of the Master of Education program will be eligible to exit with a [Graduate Certificate of Education](#) in a specified area or with a non-specified award.

Students who successfully complete a defined sequence of eight units (six units from their specialisation and two other courses from the program) in the Master of Education will be eligible to exit with a Graduate Diploma of Education (GDEU).

Students wishing to exit with one of these awards are advised to contact the Faculty of Business Education Law and Arts.

Credit

Credit may be granted on the basis of completed equivalent postgraduate study from a recognised university. In order for credit to be granted, the claim must meet the following specific requirements:

- the course was passed within five years prior to the application (courses up to 10 years old may be considered if evidence is provided that the applicant has been employed in that field)
- the course passed is sufficiently equivalent in objectives, content and weightings to a course prescribed in the Master of Education, or alternatively, the course is suitable as an discipline
- the maximum credit granted is no greater than six units for the Master of Education
- credit approved in the Master of Education will not automatically apply to other programs offered by the UniSQ.

Claims for credit should be submitted prior to or at the time of enrolment in a course. Each claim will be assessed on individual merit in line with UniSQ policy. Please contact the Faculty of Business, Education, Law and Arts for further information.
