Program objectives ogram objectives

Requirements for professional experience placements

Practicum experience is an integral component of the program and each student is required to accrue a minimum of 1000 hours of practicum experience, plus at least 180 hours of supervision from a registered psychologist who is an accredited supervisor with the Psychology Board of Australia and holds clinical endorsement.

Program fees

Commonwealth supported place

IT requirements

Students should visit the UniSQ minimum computing standards to check that their computers are capable of running the appropriate software and versions of Internet web browsers and to check the minimum and recommended standards for software.

Articulation

Students who have achieved distinctions or better in Masters coursework courses, and successfully completed project proposal signed by their proposed thesis supervisor, will be permitted to apply for entry into the combined Master of Psychology/PhD (Clinical Psychology) program.

Credit

Exemptions/credit for all specialisations will be assessed according to UniSQ procedure.

Up to eight units of coursework exemptions or credit will be granted in the Master of Psychology (Clinical) (MPCF) (FFP) if the student has completed courses equivalent to courses offered in the Master of Psychology (Clinical) (MPCF) (FFP) in either:

- a 2-year APAC-accredited masters program, or
- MPPS Master of Professional Psychology and internship year.

Notes:

- (1) All requests for credits or exemptions need to be sought by the student and approved by the Program Coordinator (each student should expect to have a 1 hour interview with the program coordinator to confirm the structure of their program).
- (2) The Program Coordinator will deem to what extent prior studies are equivalent to the relevant specialisation and confirm the student's required program structure.

Recommended enrolment pattern - Master of Psychology (Clinical) (MPCL) (Commonwealth Supported Place)
