Master of Project Management and Master of Business Administration (MPMB) - MPPM and MBAD

This program is offered only to continuing students. No new admissions will be accepted. Students who are interested in this study area should consider the Master of Project Management.

have a recognised potential for advanced managerial responsibility. This program focuses on those areas of modern management that develop judgement, skills and attitudes that are essential to managerial responsibility.

Program objectives

Program Aims and Objectives

The Master of Project Management aims to produce graduates who are able to:

- demonstrate mastery of theoretical knowledge and to reflect critically on theory, professional practice and scholarship in project management
- investigate, analyse, synthesise and apply complex information, problems, concepts and theories to a project management body of knowledge or practice
- demonstrate technical, communication and research skills to interpret and justify theoretical propositions, methodologies, conclusions and professional decisions to specialist and non-specialist audiences
- demonstrate the application of knowledge and skills with creativity and initiative to new situations in professional practice and/or for further learning, with high level personal autonomy and accountability
- plan and execute a substantial research-based project, capstone experience and/or piece of scholarship.

Program Professional Accreditation

For candidates who have a Bachelor degree or equivalent (AQF level 7) in a non-related discipline from a recognised institution, UniSQ's Graduate Certificate of Business provides an articulation pathway into the Master of Project Management and Master of Business Administration double degree. Upon completion and achievement of a minimum GPA of 4.0, they will be eligible for entry into the Master of Project Management and Master of Business Administration double degree.

Candidates with a Graduate Certificate (AQF level 8) or higher qualification in any discipline, with two years' professional work experience in business may apply for entry into the Master of Project Management and Master of Business Administration double degree. Eligibility for entry will be determined on a case-by-case basis.

All students are required to satisfy the applicable English language requirements.

If students do not meet the English language requirements they may apply to study a University-approved English language program. On successful completion of the English language program, students may be admitted to an award program.

Credit

The Master of Project Management and Master of Business Administration double degree is required to meet the requirements of each degree studied with a maximum of 50% units of credit for each program studied individually.

The Master of Project Management and Master of Business Administration double degree requires 16 units to be completed. The Master of Project Management and Master of Business Administration double degree meets the requirements of the 12-unit Master of Project Management and the 12-unit Master of Business Administration.

Credit may be granted on the basis of completed equivalent postgraduate study from a recognised university. In order for credit to be granted, the claim must meet the following specific requirements:

- the course was passed within five years prior to the application (courses up to 10 years old may be considered if evidence is provided that the applicant has been employed in that field)
- the course passed is equivalent in objectives, content and weightings to a course prescribed in the Master of Business Administration or Master of Project Management
- the maximum granted is no greater than six units of credit for the Master of Business Administration or the Master of Project Management
- credit approved in this program will not automatically apply to other programs offered by UniSQ.

Claims for credit should be submitted prior to or at the time of enrolment in a course. Each claim will be assessed on individual merit in line with UniSQ policy. Please contact the Faculty of Business, Education,y
